VIRTUAL INTERNSHIP PROGRAM

CERTIFICATE OF COMPLETION

THIS CERTIFICATE IS PROUDLY PRESENTED TO

Aayush Kumar

has successfully completed the Virtual Internship Program in
Data Structures & Algorithms Java
Project: Student Grade Management System

STUDENT ID

CZ-2026-0199

DURATION

1 Month (4 Weeks)

ISSUED ON

24 Aug 2026

PROGRAM

Data Structures & Algorithms Java

This certificate is awarded in recognition of the successful completion of a structured virtual internship in Data Structures & Algorithms Java, demonstrating the ability to design, build, and deploy real-world software solutions using industry-standard tools and engineering best practices.

KEY COMPETENCIES DEMONSTRATED

Technical Build

Code & Development

Data Processing

Analysis & Modeling

Problem Solving

Algorithm Design

Project Delivery

End-to-End Build

Research Skills

Documentation

Tool Proficiency

Industry Tools

VERIFICATION

This certificate is verifiable and authentic.
